

MAKHUWA Cluster - Mozambique

He will be the sure
foundation for your times,
a rich store of salvation
and wisdom and
knowledge;
the fear of the **LORD** is
the key to this treasure.

Isaiah 33:6

The 4 languages in this project are part of the 11 existing variants or family of the eMakhuwa language.

There are three predominant religions or belief systems among the aMakhuwa, namely: African Traditional beliefs, Christianity, and Islam.

Although many profess to be Christian and Muslim, the majority still practice African traditional belief and ancestral worship.

Ways to Pray

- Some aMakhuwa and their relatives are affected by the violent insurgence in the country, particularly the Cabo Delgado Province. Please pray for the end in violence, and for the safety of all in danger of the attacks.
- Please pray that the instability caused by the violence, and COVID-19 would not cause major setbacks to the translation work.
- Please pray the upcoming translation workshop which we hope will happen face to face.
- We praise God for keeping all the members of the project team and their families safe, particularly safe from COVID-19.
- We also thank God, through the use of technology, that most of the translation work continued despite COVID-19 restrictions.
